RULES: The BCSN Give Back program offers organizations within Elementary, Junior High, and High Schools (Kindergarten through 12th grade) in the Buckeye Broadband Toledo service area a chance to win a monthly cash award donated by FrontPath Health Coalition. The award will help with a worthwhile improvement for the school, school organization, or school sports team. It can include new uniforms, field trips, musical equipment, computers, etc.

Schools, school organizations, school sports teams, or school representative (including students) can nominate themselves by writing an essay (200 words or less) on why their school, organization, or team deserves the one-time cash award. Nomination forms can be obtained through BCSN's website (BCSN.tv/giveback) and FrontPath Health Coalition (12875 Eckel Junction Rd. #B, Perrysburg, OH 43551). Completed nomination forms will be accepted by mail (see address below) or email beginning August 18, 2017. If a school, school organization, or school team is not chosen as the monthly winner, schools may re-apply in the subsequent months.

Each month, September through May, four (4) nominees will be chosen as finalists at BCSN's discretion. The four (4) finalists will be placed in a voting poll on BCSN's website (BCSN.tv/giveback). Viewers will vote on the finalists, the results will count as 50 percent of the overall vote. A panel of four (4) judges will vote on criteria for the other 50 percent of the overall vote. The nominees will be judged on four factors: the need either financial or urgency needed; the amount of people it will impact in the school; the practicality of the need; and the essay and/or letters of recommendation. Four judges will score on a 0-10 scale in each of the categories. The most the judges can give is a 40. The judges' score will count for 50 percent of the overall score. The percentage of the popular vote on-line will count for the other 50 percent of the score. The monthly winner will receive a one-time \$500 cash award donated by FrontPath Health Coalition. The award will be given to the school that submitted the original nomination form. The winner will be announced through a promotional commercial produced by Buckeye Broadband that will air in the month the winner is chosen. The winner will be contacted by Buckeye Broadband for telephone and/or camera interviews. Winning groups may only receive one monthly award within one program year (October through June) every other school year.

See www.bcsn.tv for addresses, deadlines, and service area map and/or list of schools eligible to participate. Program rules can be adjusted at anytime at the discretion of Buckeye Broadband. Brought to you locally by FrontPath Health Coalition.
